## UNSC VALIANT SUPER-HEAVY CRUISER

The contents of this boxed set can be used by UNSC players to expand their **Halo: Fleet Battles** force with additional firepower. This upgrade box contains three *Valiant*-class Super-Heavy Cruisers and twelve *Paris*-class Frigates, ready to join any UNSC fleet. The *Valiant*-class was designed to give human fleets a warship akin to a battleship, delivering the tonnage and firepower necessary to augment battle groups of smaller vessels. The included Paris-class Frigates are deployed in direct support of the Super-Heavy Cruisers. Also included in the box are Formation Bases and Ship Overlay Sheets for all models.
